

Article retraction note

The editorial team of the Journal of Economic and Socio-Environmental Law, following the Committee on Publication Ethics – COPE Retraction guidelines,¹ communicates the retraction of the article:

CONTIPELLI, Ernani; MENEZES, Daniel Francisco Nagao. Análise de risco x princípio da precaução: análise de caso nas nanotecnologias. *Revista de Direito Econômico e Socioambiental*, Curitiba, v. 13, n. 2, p. 387-406, maio/ago. 2022. DOI: 10.7213/revdireconsoc.v13i2.28990. Disponível em: <<https://doi.org/10.7213/revdireconsoc.v13i2.28990>>.

It was identified that the aforementioned text is a translation, from Spanish into Portuguese, of the entirety of the following original article, by Guillermo Foladori, previously published in the journal *Trilogía Ciencia Tecnología Sociedad*:

FOLADORI, Guillermo. Principio de precaución y análisis de riesgo regulatorio: dos fuerzas sociales encontradas y ejemplificadas en el caso de las nanotecnologías. *Trilogía Ciencia Tecnología Sociedad*, v. 14, n. 26, e2014, 2022. DOI: 10.22430/21457778.2014. Disponível em: <<https://revistas.itm.edu.co/index.php/trilogia/article/view/2014>>.

The authors Ernani Contipelli and Daniel Francisco Nagao Menezes informed the *Journal of Economic and Socio-Environmental Law*, through electronic communication, that they used the published article to prepare their research and that, by mistake, they sent a version of the referred article

¹ Committee on Publication Ethics – COPE Council. **COPE Retraction guidelines – English**. DOI: 10.24318/cope.2019.1.4. Disponível em: <<https://publicationethics.org/retraction-guidelines>>.

translated at the time of submission. The authors apologized for what happened to the author of the original article, Guillermo Foladori, and to the journals *Trilogía Ciencia Tecnología Sociedad* and *Journal of Economic and Socio-Environmental Law* and their respective editorial teams.
